Lake Villa Fire Dept. Observed 20th Birthday Honors Charter Members

Organization Formed At Death of American Legion Post

The Lake Villa fire department now in its twentieth year, celebrated its anniversary with a party Tuesday night in which honors were bestowed on charter members and honorary members.

Charles B. Hamlin, William H. Theehs, Raymond Walsh of Lake Villa and Ben S. Haddad, Waukegan, were presented recognition pins in a ceremony following the dinner.

The Lake Villa fire department had its inception in the death of the Oscar Sorensen post No. 703 American Legion Mar. 31, 1931.

At the last meeting of the post which was eventually to merge with the Lakes Region post of Fox Lake, the members saw the need of fire protection for the community and set about to provide it.

They formed the Lake Villa Volunteers Firemen's association with William Marks as president, Al Kapple as secretary and D. R. Marmar as treasurer.

The need for fire equipment became apparent when in April of that year the Barnstable farm house was destroyed by fire.

In an attempt to raise money for equipment, the association had its first dance at Cedarcrest July 3, 1932 and with the profits made a down payment on a fire truck.

An active company was formed June 19, 1933 after new equipment was obtained the preceding month by a committee composed of Ben Haddad, Frank Slazes, Fred Hamlin, Al Kapple, M. Murphy and William Marks.

Stage Party

A street party and carnival were staged in August, 1933 with the arrival of the truck and from the profits of the carnival, the department bought a siren. Fred Hamlin became the first fire chief.

The following year the first of Lake Villa days was staged to raise money for note payments on the equipment. Erwin Barnstable became fire chief in 1936 and the association functioned until May, 1936 when it started the formation of a fire protection district.

William Weber, William Marks and Lou Brickman were appointed (Continued on page seven)

Antioch Rescue Squad Recovers One of Two Drowned at Desplaines

The Antioch Rescue squad attempted to find the body of Walter G. Wassman, 55, Chicago, who was drowned Saturday in the DesPlaines river, near DesPlaines but gave up Monday without success.

The squad recovered the body of the son, Walter, 26, Saturday night under the dam No. 3.

Wassman and his son drowned when their flat bottom boat capsized. The third person in the boat, Robert M. Ericson, 27, of DesPlaines, swam to safety.

Capt. Herman Holbek said that the body apparently caught on the bottom. He thinks it may come to the surface later.

Ericson said the boat turned over when it was drawn into midstream by a backwash below dam. They had just shoved off from shore and had not had time to get the outboard motor started.

He said that he swam to shore and ran to the Northwest Highway, stopped motorists and sent for help when he saw the two men struggling in the water. When he returned to the river bank both men had disappeared.

Gertrude Haling, 46 Dies At Grass Lk. Home

Miss Gertrude Haling, 46, of Grass Lake, died Sunday, March 19, at 6:40 a. m. at her home. Miss Haling had been an invalid for the past 45 years.

She was born in Chicago, June 21, 1903 and had lived at Grass Lake for the past thirty years.

Survivors are a brother, Charles Haling, and three sisters, Mrs. Irene Lehman and Mrs. Alice Waldweiler all of Antioch and Miss Clara Haling of Chicago.

Private funeral services were held at 2 p. m. Tuesday from the Ergott officiated at the service, Bur-Strang Funeral home, Fr. Roberts was in Grass Lake cemetery.

Boy Scouts Busy in Wood, Metal Crafts Projects

Twenty members of Boy Scout troop No. 91 are engaged in woodcraft work and 10 in metal crafts, according to Scoutmaster Rudy Eckert. Ralph Tuttle and Al Swenson supervise the wood work shop and George Massopust the metal crafts. The boys meet each Wednesday night and the shop in the Scout Home with its machinery is a busy place.

Education Should Be Functional, Waukegan Attorney Tells P.T.A.

Education is functional and the children should be taught to understand what they are reading, Lloyd VanDuesen, Waukegan attorney, told the Parent-Teacher association in its meeting Monday evening.

"Comic books are the lowest form of reading," said Atty. VanDuesen, "and the publishers of the books are now making them so that no reading is necessary, everything is pictured."

This reduces the effort of the child in his reading habits, according to the speaker, and the result is he objects to the reading of good literature.

VanDuesen complained that too many children are leaving school unable to read or write well and without the ability to understand or digest what they read.

The speaker's talk was informal and he held the interest of the crowd.

A group of girls from the fifth and sixth grades entertained in song. They were Nina and Ninette Schroeder, Virginia Schumacher, Valerie Gresens, Marilyn Paglusch, and Sue Wolfenbarger. Hans Von Holwede led the community singing.

A short business meeting was held and the first grade won the room count by having the most parents present. Mrs. E. W. Kufalk and her committee served refreshments.

Lions Club Will Have Stock-Grain Exhibit Again With Carnival

The Lions club will stage the second of its stock and grain shows at its carnival this summer.

The board of directors at their meeting Monday evening decided to repeat the adventure of last year and will obtain a special tent for the exhibit and will have judging and awards.

The club added the grain and produce exhibit to the carnival last year as an extra attraction and in the belief that the community would appreciate it since the Lake county fair is no longer held here.

The exhibit, while small at the start, is expected to grow each year and with it the interests in the event itself. The Lions consider they are providing something educational as well as entertaining.

Mrs. R. Bell White, 76 Pioneer Resident of Avon Twp., Dies

Mrs. R. Bell White, 76, Round Lake, passed away Tuesday, March 21 at 8 p. m. at her home following a year's illness. She was born October 22, 1873 in Avon Township and lived for the past 31 years in the Village of Round Lake.

She was a charter member and one of the founders of the Round Lake Community church.

Survivors are her husband Gifford, one daughter, Mrs. Marie Foulke of Wauconda, one sister, Mrs. Adah Wilkinson of Lake Villa and three grandchildren. Funeral services will be held Friday at 2 p. m. from the Strang funeral home. Interment will be in Fox Lake cemetery.

P. T. A. CARD PARTY, DANCE WELL ATTENDED SATURDAY

The card party and dance of the Public Grade school, Parent-Teacher association Saturday was well attended and all had an enjoyable evening. Dancing was to the music of Bessie Barnes orchestra.

Mrs. C. L. Wertz was general chairman. Mrs. T. R. Birkhead and her committee served refreshments and Mrs. George Massopust had charge of prizes, and Mrs. Louis Horton, tickets.

Mrs. Fred Swanson is vacationing in Florida.

Telephone Directories Delivered This Week; Lake Villa Gets Special

Libertyville and Mundelein Change to Dial System On Sunday

Delivery of 7,000 telephone directories for subscribers in Antioch, Fox Lake, Grayslake, Lake Villa and Round Lake began this week, according to J. M. Littler, manager for the Illinois Bell Telephone Co. The 176-page book contains 44 alphabetical listing pages and 132 classified or yellow pages, eight more classified pages than the previous directory issued last year.

A special directory, listing the new Libertyville and Mundelein dial telephone numbers effective Sunday, is also being delivered along with the regular local directory to subscribers in Fox Lake, Grayslake, Lake Villa and Round Lake, Littler said.

The 5,000 special directories are for the convenience of telephone users in the four communities from which many calls are placed to Libertyville and Mundelein.

All telephone numbers in Libertyville and Mundelein will be changed at midnight, Saturday, when dial service is inaugurated in the new Libertyville-Mundelein dial telephone exchange. Manager Littler urges telephone users to consult the special directory before placing calls to the new dial towns after Saturday.

A change in placing calls to certain out-of-town points from Fox Lake and Lake Villa will also become effective Sunday, March 26, Littler continued.

When calling Antioch from Fox Lake and Lake Villa, subscribers will dial "8" and then give the desired prefix and the number to the operator who answers, the manager explained.

Fox Lake telephone users calling Lake Villa will dial "6" followed by the number listed for the Lake Villa telephone. Lake Villa subscribers calling Fox Lake will dial "7" followed by the number listed for the Fox Lake telephone.

Information on placing out-of-town calls, emergency calls and other service tips are contained in the four preliminary pages of the regular local directory and in the first page of the special Libertyville-Mundelein book.

District Deputy Visits Antioch Masonic Lodge

Sequoia lodge of Ancient Free and Accepted Masons received its annual official visit Tuesday night from Charles E. Schwarm, district deputy grand master of the 21st district.

Fifty persons were present and 14 other Masonic lodges were represented by the visitors. These lodges are Millburn, Auburn, Park, Malta, Wilmette, Ben Franklin, Proviso, North Chicago, Wabansia, Golden Rule, Crescent, Level, Woodland Park, Lawndale, and Solal lodge of Bath, Maine.

A short talk was given by Deputy Schwarm and the third degree was conferred with Guy Simmons of Millburn and Deputy Schwarm of North Chicago officiating.

After a pleasant social evening the members retired to the dining room where refreshments were served.

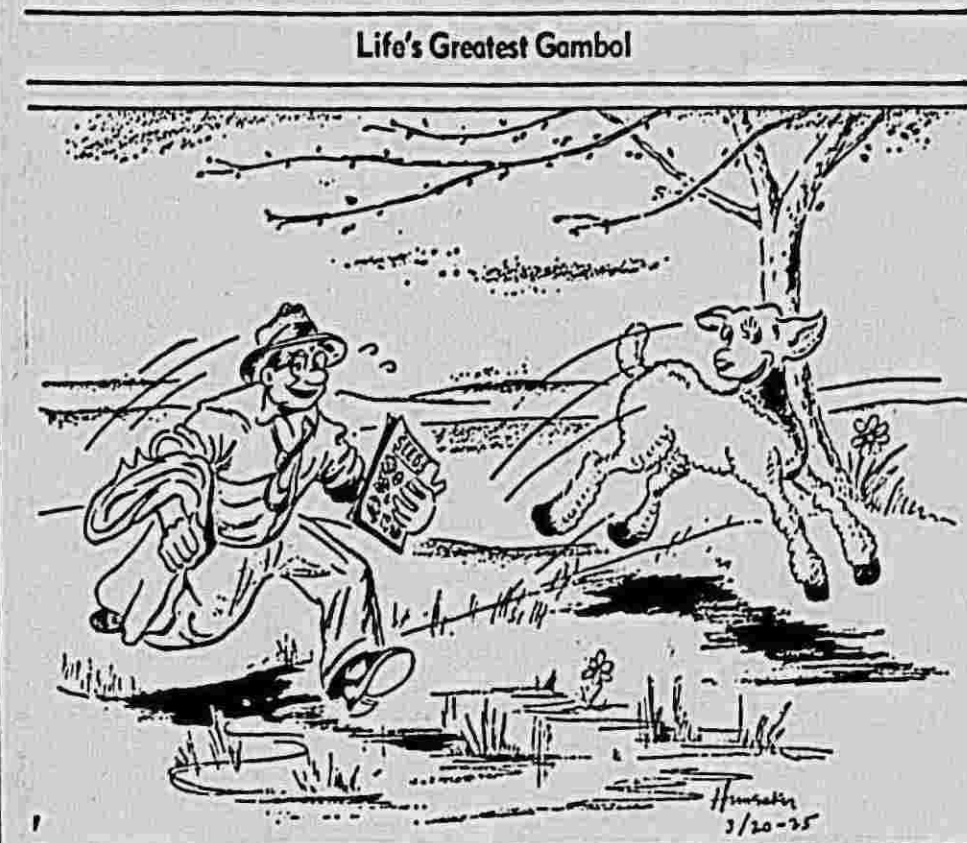

Louie Storing, 48 of Grass Lake Dies

Louie Storing, 48, proprietor of Sunset Lodge, Grass Lake, died at his home Monday, following several months of illness. Survivors are his wife, Elizabeth, and a son, Robert. Funeral services were held Wednesday from Nehls Chapel, 306 West Belmont Avenue, Chicago. Sequoia Masonic Lodge A. F. & A. M. of Antioch had charge of the services.

Birkhead Presented Committee Report to School Superintendents

T. R. Birkhead, principal of the Antioch Township High school went to Chicago, Ill. Saturday in presenting before the School Superintendents Round Table of Northern Illinois, studies made by his committee on school problems.

His report is one of seven made by committees for the group and if approved will be presented to the governor's commission late in April. Chairmen of the seven committees met Monday in preparing their reports. They were presented at the meeting for adoption or rejection.

Tuberculosis X-Ray Unit to Come to Antioch on April 11, 12 for Test

Tuberculosis, a communicable disease which kills nearly 50,000 Americans annually, can be cured, Dr. Theo. S. Proxmire, President of the Lake County Tuberculosis Association, said today in announcing the forthcoming community chest x-ray survey to be held in Antioch. Deaths due to tuberculosis are unnecessary because we know what causes the disease, how it is spread, and how it can be prevented. We know that TB is caused by a germ, that the TB germ is spread from person to person, that by means of the x-ray the disease can be detected in its early stage, when it is easiest to cure.

Therefore, as part of its campaign to wipe out tuberculosis, the Lake County Tuberculosis Association will bring its Christmas Seal Mobile Chest X-ray unit to Antioch on April 11 and 12 to x-ray the chests of school children, industrial workers and the community in general.

On the 11th, the unit will be located at the high school to x-ray the students who have reacted positively to the Tuberculin test from Antioch High School, Antioch Grade Channel Lake, Grass Lake, Emmons, Hickory Corners, Millburn, Oakland and Druce Lake Schools. Teachers and other adult school employees will be x-rayed at this time.

The unit will move to the Regal China Co. plant on the morning of the 12th to x-ray the plant employees.

About noon on the 12th, the unit will be set up on the corner of Lake and Main, in Kennedy's Service Station, where it will remain until 9 p. m. The Antioch Woman's club will have typists on hand to fill out the necessary cards before a person is x-rayed.

Rep. Ralph E. Church Dies Unexpectedly at Hearing in Washington

Ralph Edwin Church, representative of the 13th congressional district in which Antioch is situated, died unexpectedly Tuesday at Washington D. C., where he was testifying in opposition to President Truman's abolishment of the general council of the National Labor Relations board.

He was in the middle of a sentence when he slumped in his chair. Rep. A. L. Miller, Nebraska, a physician reached his side a moment later and pronounced him dead of a heart embolism.

The funeral service will be held tomorrow at the First Methodist church in Evanston.

Church, a republican, was 66 years old and had been representative of this district for 16 years. He was a candidate for re-election. A special election must be called to provide a successor.

Gay Nineties Carnival At A. T. H. S. Successful

There was a good attendance at the Gay Nineties Carnival at the high school Friday evening. The students were there in large numbers although the response from the public wasn't so great.

Mary Ann Quilty was chosen queen and Jack Mahoney king for the evening. Charles Bock won the first pie eating contest and Bernard Katowski, the second.

The games of skill were all well patronized.

District Scout Circus To Be At Libertyville; Committee Plans Trip

The Boy Scout circus for the Northwest district will be held May 13 at Libertyville, the district executive committee decided in a meeting here at the Scout Home Monday night.

Harold Cardiff is the local representative on the committee.

The committee also planned the trip to Makajawan for the weekend of May 5, 6, and 7.

Present at the meeting were Walter Simons, and Ed Schweikel, scout executive of the North Shore Area council. Schweikel praised the Antioch area for being first to reach its goal in the recent drive for funds for the council. The amount was \$500.

He said that the campaign for the area was successful and that all districts have now made their quota. Troop 86, Channel lake, served refreshments to the committee.

Large Crowd Expected At Athletic Banquet Given by Lions Club

A large crowd is expected to attend the annual banquet given the Antioch Township High school athletes by the Lions club at the school gymnasium Monday evening.

Ninety-five students will attend and many will have their fathers with them.

William Wightkin, left end of the Notre Dame football team will be the main speaker and he will show sound movies of the highlights of the games played last fall by Notre Dame.

Loren D. Sexauer will be toastmaster; Irving W. Carey, president, will give the address of welcome and Fred Wolf, president of the "A" club will give the reply. Other speakers will be Principal T. R. Birkhead, Supervisor William A. Rosing, Supervisor A. E. Bennett, President Walter K. Hills, Coaches M. R. Kruzan and R. B. Scott, Mayor James W. McMillen and Burton Hoffman, district governor of the Lions club.

Antioch Finishes Fourth In Lake Villa Invitational, Mike Haviland Gets Trophy

Antioch Grade school went to the semi-finals in the invitational tournament at Lake Villa last weekend, but lost the third-place trophy to Wauconda 36 to 20 in the consolation game.

Mike Haviland, son of Mr. and Mrs. Bernie Haviland, was awarded the sportsmanship trophy. He was judged the most sportsmanlike player in the tournament.

Antioch won from Grayslake 22 to 13, Round Lake beat Lake Villa 29 to 26; Hebron defeated Gavin 29 to 21; and Wauconda nosed out Mundelein 29 to 27 Thursday night in the first round of play.

Antioch then lost to Round Lake 31 to 46, and Hebron beat Wauconda 41 to 31.

Hebron defeated Round Lake in the final game Saturday night 41 to 30, and in the preliminary Antioch lost to Wauconda.

Trophies were given to the winners to first, second, and third places, and Antioch finished fourth.

Low Bids for School Addition Total \$131,096 Board Well Satisfied

Contracts Will be Let Soon Work to be Completed By Autumn

Low bids totaling \$131,096.50 were received by the board of education of the Antioch Grade school Tuesday evening for the addition to be built this summer.

The contracts will be let within the next few days after the architects Ganster and Hennighausen have had opportunity to investigate the proposals.

"We are quite pleased with the results," said Principal Richard Whitacre. "Since we issued bonds of \$146,000, we still have money left to equip the class rooms with chairs and the other rooms with their proper contents."

John Nordstrom and Son of Fox Lake, was the low bidding firm on the general contract. Its bid was \$93,500.

There were eight bidders and the high bid was from Jenkins and Boller of Waukegan who asked \$109,712, a difference of \$16,212. The other bidders ranging between the two extremes in their proposals were Otto Schulz, Evanston; Tonyon Construction Co., McHenry; Harold Swank, Zion; Hess and Son, Chicago; Leslie Ullrich, Mundelein; and Haglund and Ames, Waukegan.

Fox Lake Plumbers Low Too
The Lakes Region Heating and Plumbing Co., of Fox Lake, was low bidder on the plumbing and heating with a price of \$33,645.50.

There were 10 bidders for this contract with the McDonough Plumbing and Heating Co., submitting \$41,362 as the highest bid.

Geary and Cooper of Libertyville was low bidder on the electrical work with a price of \$3,950. High bidder on the task was the firm of Hamlin Electrical Co., Lake Villa. There were eight bidders for this contract.

The difference between the total low bids and the total highest bid was \$28,960.

Many of the bidders submitted alternate bids which were taken into consideration.

North or Present New Wing
The new addition will be situated north of the new wing of the present building and will be so constructed that a hallway and room now in use will be a part of the stage of the new combination gymnasium and auditorium.

Included in the new section will be two classrooms, one of which will be equipped as a kindergarten room; a cafeteria and kitchen, shower rooms for the gymnasium, two toilet rooms, and a storage room.

The cafeteria room will be an all-purpose room, the tables being of the in-the-wall folding type which can be folded away so that the place can be used as a band room.

It is probable that as soon as the contracts are let the contractors will start work doing as much as possible without interfering with the school work.

Antioch Rescue Squad Hooked on County Wide Police Radio System

A two-way radio equipment was installed Monday in the truck of the Antioch Rescue squad connecting it with county-wide system.

Through this equipment members of the squad can talk to the sheriff's office and get a relay of its message anywhere telephone lines run.

Should the squad be out on a run and need assistance or want a doctor at a hospital or some other point, it can talk to the sheriff's force and request a telephone call to the doctor, or if police aid is needed, the dispatcher can send the nearest squad car.

The Rescue Squad truck has No. 560 and the system is such that no other car can listen in on the conversation.

The old truck had a radio somewhat similar to this but not as modern and exclusive.

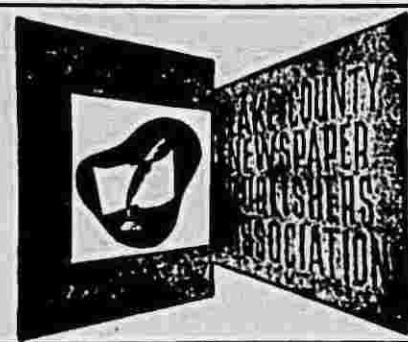

To Attend Teachers Meeting

Principal T. R. Birkhead will attend the annual meeting of the North Central association at the Hotel Sherman in Chicago tomorrow. He went to Chicago yesterday in discussing with architects plans for the addition to the Antioch High school.

A Dangerous Victory

On the surface, the settlement of the soft coal strike looks like another victory for the union. The basic wage of the miners—who have long been the highest paid mass labor force in the country by a wide margin—was increased 70 cents a day. And contributions to the welfare fund, which are paid entirely by the operators through a fixed tax on each ton of coal mined, were also raised.

However, this kind of "victory" may turn out to be costly indeed to all concerned. The miners, who worked spasmodically or not at all for nine months, lost huge sums which they never will make up. Most of them have spent their savings and many are heavily in debt.

The operators lost a vast amount of business. And some of it, time may prove, was lost permanently to the other fuels with which coal must compete for markets. A consumer wants two things—dependability of supply, and the most reasonable price. If he can't get that from one industry, he goes elsewhere. The cost of labor in the coal industry, on a proportionate basis, has been far higher than in the other energy industries. It is now higher still—a fact which must be reflected in the price the consumer will pay for coal.

Despite the settlement, the case for legislation which will prevent labor monopolies, and bring the unions within the scope of the antitrust laws, was never stronger. Congress is now considering a proposal of that character. Unless a strong bill is passed, the public will continue to have no protection against ruthless labor czars. It is not a question of depriving labor of any legitimate right. It is simply a question of making labor equal before the law with industry.

Quantity No Substitute For Quality

The current controversy over the Administration's health insurance bill is not whether we shall have health insurance or shall not have it. It is, instead, whether it shall be on a voluntary or a compulsory basis—and whether medicine shall remain free

and progressive, or whether it shall be strait-jacketed in political controls.

The American people want health insurance—and they are getting it. The statistics, as issued by the Health Insurance Council, are exceedingly impressive. As of last August, more than 61,000,000 Americans were protected against hospital costs, 34,000,000 against surgical bills, and 13,000,000 against medical expenses. It is estimated that by now close to 70,000,000 of us are protected against economic hazards of illness, and that within the next two or three years, 90,000,000 will be so protected.

It would be ridiculous to argue that the country has no medical problem. It has, and it is a serious problem. But the point is that, in the normal course of events, and by purely voluntary means, we are gradually solving it. And to put the government into the picture, as the dominant influence in medical practice, would create an infinitely worse problem than the one we are trying to solve.

In a Reader's Digest article, based on an investigation of Britain's compulsory health insurance scheme, Harold E. Stassen said, "The quality of health service is much more important to the good health of the people than the quantity of the health services." In other words, mass-medicine—which Britain has, and we will have if the compulsory bill goes through, is inferior medicine. Under the voluntary system, we are getting the highest quality of service—and we are also getting an increasing quantity of service.

The Taxes You Wear

The American Weekly recently published a full-page picture of a girl dressed for a party. She was wearing some modest jewelry and a fur scarf. She was carrying a purse. She had used the customary make-up—powder, cleansing cream, lipstick, rouge and so on. She had washed her hair with a commercial-made shampoo. She had a pack of cigarettes and a holder and a lighter. The point of the picture was that she was a living, breathing example of the burden of the wartime excise taxes which are still in effect, long after the last shot was fired.

These excise taxes, most of which come to 20 per cent on top of the regular retail price of the commodities affected such as the apparel and accessories worn by the girl in the picture, are, of course, in addition to all the other direct and indirect taxes we pay. Other types of excise tax—created by the war emergency—apply to transportation, telephone calls, etc.

Ask any retail merchant what the effect of the taxes is. Ask any worker in an industry which produces one of the commodities or services so taxed. Ask manufacturers. They all say the same thing—that the taxes reduce sales, that they force many people to buy inferior goods, and that they are a strong adverse influence on employment and purchasing power. Significantly, Canada, which had taxes of this nature during the war, repealed hers.

When the taxes were passed, it was said that they would be repealed as soon as hostilities ended. That is a moral obligation and their continuance is a clear breach of faith on the part of the government.

Mrs. Bennett was the former Catherine Schenning of Wilmot.

Mr. and Mrs. Russell Ehler and family, of Oak Knoll, Mr. and Mrs. Lyle Ehler and family, of Twin Lakes, were Sunday dinner guests of Mr. and Mrs. John Ehler.

Mr. and Mrs. Frank Zarnstorff, Sr., were Friday supper guests of Mr. and Mrs. Clifford Schaal, of Powers Lake.

George Livermore, of Fairchild, Wis., is spending a few months with his daughter and son-in-law, Mr. and Mrs. Harvey Brown.

Mr. and Mrs. Floyd Gyger, Jr., were Sunday supper guests of Mr. and Mrs. Floyd Gyger, Sr.

Mrs. Marlin Schnurr attended the Florist Convention at the Schroeder Hotel in Milwaukee Sunday.

Mr. and Mrs. C. M. Anderson, of Milwaukee, spent Saturday with Mr. and Mrs. Marlin Schnurr.

Mr. and Mrs. Michael Thome and family, Mr. and Mrs. Otto Sorghard of Kenosha, Mr. and Mrs. John Peterson were Sunday supper guests of Mr. and Mrs. Russell Ehler.

Mr. and Mrs. Reed Schumaker, Russell Nickloff, Mr. and Mrs. Wilbur Pollack and sons, Mr. and Mrs. Harvey Durlin, Mr. and Mrs. Virgil Durlin, of Beloit, were Sunday guests of George and Nellie Hasselman.

Mr. and Mrs. Louis Keith Hegeman, Mr. and Mrs. Raymond Forster and family were Sunday visitors of friends in Chicago.

Mr. and Mrs. Cyril Pacey, Mr. and Mrs. Roger Sherman, Fred Rasch and R. J. Austin, Mr. and Mrs. Harvey Brown, Anna Kroncke and Florence McDougall attended the P. M. A. annual meeting at Chicago Saturday.

Mr. and Mrs. Glen Ober and family, of Woodstock were Sunday dinner guests of Mr. and Mrs. Herbert Sarbacher.

Mr. and Mrs. Herman G. Frank and Richard were Saturday supper guests of Madeline Friedhoff, of Kenosha.

Mr. Herbert Sarbacher accompanied Mr. Fred Sarbacher of Bassett to Madison Thursday to attend the funeral of an aunt, Mrs. Ellen Little, who was 93 years old.

Mr. and Mrs. Peter Van Slochteren and Roger, of Bristol, Herman and Flavia Ehler, Mr. and Mrs. Herman G. Frank and Richard were Sunday supper guests of Bertha Harms, of English Prairie.

Ray Hannes, of Kenosha, Gust Ganzlin and Gust Kobey, Millie Faber and daughters, Margie and Shirley, of Silver Lake, Russell and

Paul Schmalfeldt, Fred Inhelder, of Kansasville, Ed Kauba, of Camp Lake, Mr. and Mrs. Harold Boulden and daughter, Shirley, Lillian Boulden, of Burlington, were recent guests of Mr. and Mrs. Paul Ganzlin.

Grace and Erminie Carey spent Thursday at McHenry with Mr.

and Mrs. Wallace Dobyns. Eva Stenzel entertained the Jolly Eight Tuesday evening.

Mrs. Margaret Easton will get an expense-paid vacation trip of one week at Randy's camp at Redditt, Ontario, Canada, as the result of her visit at the Outdoor Sports show in Chicago.

THE 1950 NASH AMBASSADOR

Presents

AN ENTIRELY NEW IDEA OF LUXURY

Completely new comfort never possible before, awaits you in the 1950 Nash Ambassador.

Here alone is an Airliner Reclining Seat... the spaciousness of a Sky-Lounge. Here is the smoothest ride with super-soft coil springing on all four wheels.

Drive it and listen. In this car of best aerodynamic design, wind-noise is hushed. And with Airlyte Construction, body-bolt squeaks and rattles are ended.

Here is new Turbo-Head high-compression power—a revelation in performance and economy. In the 1950 Grand Canyon Economy Run, the Nash Ambassador averaged 26.4 miles to the gallon!

Yet the Nash Ambassador, even the luxurious Custom model, costs as much as \$1,000 less than other cars of comparable size and quality. See it today. Hydra-Matic Drive is available at new low price.

Only Nash Ambassador Owners Enjoy All These Fine-Car Features

TURBO HEAD high-compression engine—now 7.3 to 1 ratio, 7-bearing, 100% counter-balanced crankshaft. Premium performance on regular gasoline.

SKY-LOUNGE INTERIORS with one-piece windshield, Pull-Out Glove Locker, Cockpit Control, the Uniscope.

AIRLINER RECLINING SEAT that goes back as far as you like at lever touch.

AUTOMATIC WEATHER EYE. Fresh air ventilation and heat control. You never have dust or know cold, in any weather.

TWIN BEDS for sleeping-car comfort at night, or napping while others drive.

AMERICA'S BEST AERODYNAMIC design, proved 29.7% more efficient in overcoming air drag than the average of 10 other leading cars tested.

AIRLYTE CONSTRUCTION. Frame and body are welded into one rattle-proof unit. Twice as rigid, it makes possible new performance, economy, quietness and riding smoothness; stays new longer.

NURSERY SUPERVISOR

Miss LaVonne Taylor, regional home nursing supervisor from the American Red Cross area office in St. Louis will be in Waukegan for three weeks starting March 27 to teach all North Lake County women interested in the beginning home nursing course, "Care of the Sick."

Miss Taylor's classes, which will be held in cooperation with the local Red Cross chapter are scheduled from 9 a. m. to 4 p. m. Monday through Friday each week. The first week program, March 27 through 31, will be for those desirous of becoming instructors. Both nurses and non-nurses are eligible, and all those completing the first week course, may teach classes of up to 10 students. The following two weeks, April 3 through 7, and April 10 through 14, will be devoted to students, both for their individual training, and to give the instructors an opportunity to conduct classes under Miss Taylor's supervision.

Mrs. E. M. Wones, local Red Cross nursing chairman, pointed out that these home nursing courses are to teach people to give simple nursing care to members of the family under the doctor's guidance, and to promote better community and family health. The policy of non-nurse instructors to teach these simple nursing skills is a new one with the Red Cross and will make this training available to an increasing number of applicants.

Anyone interested in enrolling or wishing further information may

call or write Red Cross Headquarters, 133 Belvidere St., Waukegan, Ontario 4044, or Mrs. Wones, 1109 Glen Flora ave., Waukegan, Ontario 4049W.

When to Carry Umbrella

Folks who complain of always carrying an umbrella when it doesn't rain, need to brush up on their cloud lore. When clouds are wispy, white and fluffy, or like a fine, gray blanket high overhead, rain gear can be left at home with relative safety. The rain, or "Nimbus" cloud, is low-hanging, dark, and shapeless. It has an unmistakably ominous appearance, even to the incurable optimist.

Mechanized Farms

Four out of every five Americans were farmers a century ago, whereas today fewer than one out of every seven produce our food and fiber. The reason is, of course, that mechanization of farm equipment has increased man's productivity manifold. Yet there are times when a farmer will swear that he would trade the best of engines for a good team of horses.

Prevents Mold

Building a fire in the fireplace or stove or turning on the heating system to dry out the home is effective in preventing growth of molds in wet weather.

Graded Butter

Check the butter you buy for the letters "U.S." in the grade mark, which signifies that the butter is federally graded.

SALEM

Mrs. Ida Jarnigo, of Chicago, spent the weekend with Mr. and Mrs. Bert Jarnigo.

Mr. and Mrs. Fred Stephens, of Salem, and Mr. and Mrs. Kenneth Brown and Billie, of Milwaukee, were dinner guests Sunday of Mr. and Mrs. Everett Squires, of Paris. The occasion being the twenty-fifth anniversary of Mr. and Mrs. Stephens.

Miss Olive M. Hope spent Sunday with her nieces, Velma and Verna Hope of Libertyville.

Mrs. Charlotte Bloss spent the weekend with her son and family of Wheatland.

Mr. and Mrs. Charles Phflenyer are the parents of a son, Daniel

Wayne, born March 15, at St. Therese hospital.

Mr. and Mrs. E. H. Hartnell spent Sunday with Mr. and Mrs. Frank Wheeler, of Silver Lake.

Mrs. Bessie Elkerton, and Mrs. Harriet Krautkramer, of Antioch, spent Wednesday with their sister, Mrs. Charlotte Bloss. On Thursday Mr. and Mrs. Harold McSweeney, of Delavan, visited Mrs. Bloss.

Carbon Monoxide

Carbon monoxide poisoning is a rather common cause of poisoning and prompt first aid may save a life. The symptoms are dizziness, headache, and coma. Treatment consists in getting the victim into fresh air quickly and calling a physician. In the meantime start artificial respiration.

Egypt's Orchestras

Egypt's love of great size, which shows in her huge pyramids, sphinxes, and temples, was also carried out in her orchestras and choruses. Egyptian orchestras sometimes numbered as many as 600 players of harps, lyres, lutes, pipes, and metal rattles.

Neutrons

A neutron is one of two building blocks of which nuclei of atoms are made; the other being the proton.

Retina

The total retina of the eye is a semi-circle about 180 degrees from end to end.

Busy Bees

Long before man appeared upon the earth, bees had perfected a society in which labor was divided.

STAR Metal Boats

The flat bottom Standard Resort has proved its value season after season as a first class, low-priced fishing, family, and pleasure resort boat. Of similar construction to other STAR boats, this model differs mainly in that it has built-in air chambers instead of the separate, removable type. These chambers are riveted and soldered to the sides and bottom of the boat in the bow and stern serving as seats.

Included are such features as sturdy angle-iron gunwale, wood floor-racks, anchor pulley, wood motor block, ear-locks, exclusive press-forged keel, and heavy channel steel framework. Finished in aluminum and green. Oars are \$6.00 per pair extra.

LAKE VILLA

The Lake Villa fire department will be special guests at the Community church next Sunday and the sermon will be appropriate for the occasion. The church board met Wednesday evening this week with Mr. and Mrs. George Sebella at their home in Venetian Village.

The W. S. C. S. will meet Wednesday afternoon, April 5, at the church for the quarterly pot luck dinner to celebrate the January, February and March birthdays of members and friends. All are welcome. Those who do not have birthdays in those months will bring a dish of food for the dinner. Business meeting will follow the devotional period and a silent auction will be a feature of the meeting. Mrs. Blust is chairman of the sale.

Mr. and Mrs. Gus Hassler, their son and daughter, of Fond du Lac, Wis., spent Saturday night and Sunday night with Mrs. Hassler's sister, Mrs. Henry Nader, and husband.

Charles Hexom, telegraph operator, is employed by the Soo Line at Sussex, Wis., for the past two weeks.

Mr. and Mrs. Edward Tiede are enjoying a vacation in California and are visiting relatives.

Mrs. Bessie Stevens spent Saturday with friends at Wheaton.

Mrs. George Hill, who underwent surgery last week at St. Therese hospital, is recovering nicely.

Mr. and Mrs. Howard Wilton who spent the winter in Florida, returned home last week.

Mr. and Mrs. Vernon Blust who have been at the Boyer home during the winter are with their son-in-law and daughter, the Sorensens before moving into their new home on Cedar Lake road, which is

nearly completed, and Mrs. Boyer, who has been with friends, Mr. Bray and her sister, Mrs. Smith, has gone back to her home.

Mrs. Ruth Pollard, of Winnetka, was the guest of the Karolius family over Sunday.

Mrs. Effie Kelly, of Racine, visited Mr. and Mrs. Charles Kelly over Sunday.

Mrs. Edna Gillespie with Mrs. Andrew Wolff, of Sand Lake, and her grandchildren, Mary and Michael, also Mrs. Wolff's daughter, Mrs. Max Tilz, of Waukegan, attended the Shrine circus at the Medinah temple in Chicago last Thursday afternoon and later had dinner at the Chalet in the Bismark hotel.

Mrs. L. J. Tweed spent a few days recently at the Condell hospital in Libertyville for observation and treatment and is now at her home at Monaville.

Miss Marlene Nader, student nurse at the St. Elizabeth hospital in Chicago, has completed the first six months of her nurse's training and was one of 61 to receive her cap

in ceremonies at the hospital on Sunday evening. Her parents, Mr. and Mrs. Joe Nader, Sr., her aunt, Mrs. Hazel Sherwood and a friend, Jack Mahoney attended the capping exercises. She will have 2½ years of further training before completing the course.

Mrs. Fannie Pitman, of Chetek, Wis., is guest of her niece, Mrs. Leo Barnstable at her home.

The Royal Neighbor Officers club held a meeting last Friday afternoon at Indian Point, Grass Lake with Mrs. Mary Davis and eleven officers from Lake Villa attended. They made plans for a Friend's Night to be held Tuesday evening, April 25, and discussed plans for the year.

Mrs. Charles Hamlin entertained the ladies of the Sewing club at a luncheon at her home last Thursday afternoon.

Mr. C. N. Dunbar, of Petite Lake Highlands is a surgical patient at Condell hospital, Libertyville and recovering nicely.

Karolius—Beager

Miss Dallas Karolius, elder daughter of Mr. and Mrs. Kauren Karolius was married Saturday afternoon at the Community church to Mr. Otto Beager, son of Mr. and Mrs. Ernest Beager, in ceremony by the pastor, Rev. R. E. Harrison. The bride was attended by her sister, Miss Enid Karolius, as maid of honor, in pink lace and net and carrying carnations and by Mrs. Arlene Oborny, a recent bride herself, in green lace and net and also carrying carnations. The bride was gown in white satin with fingertip veil and carried white roses. Little Priscilla Ladewig, the bride's cousin, was flower girl in yellow taffeta and carried a colonial bou-

quet. The groom was attended by Fred Popp, Jr., and Herman Redmer, Jr. Henry Bennecke at the organ played traditional wedding music and Mrs. Olive Martin sang "I Love You Truly" and "The Lord's Prayer". The bride was given in marriage by her father. A reception for the group was held at the recreation room at the fire station immediately after the ceremony and later the bridal couple left for the south on a week's honeymoon trip. Dallas is a graduate of Antioch

high school and is employed by the telephone company, and the groom is employed at the Johns-Manville plant. They will be at home in a cottage at Leon Lake when they return from their trip. The church was beautifully decorated in spring flowers for the occasion. Guests were present from Darien, Wis., Marshfield, Wis., Chicago, LaGrange, Elgin, Glencoe, Waukegan and Evanston, and the young couple received many beautiful gifts for use in their home.

SOCIETY EVENTS

Home Bureau Unit Elects Officers, Studies Sewing

Mrs. Fred Oschmann was elected president of the Lake Region unit of Home Bureau at the recent meeting in the Scout Home.

Other officers chosen are Mrs. Emil Hallwas, Jr., vice president; Mrs. Roy Crichton, secretary; and Mrs. C. Tossey, treasurer. Mrs. John Hojem is publicity chairman.

Mrs. Helen Volk, home adviser gave a demonstration on "Improved Techniques in Home Sewing." The techniques were adopted from those used by custom-made dressmaking shops where high standard clothing is made, and were to assist the homemaker in making better appearing garments with less effort.

Two new hemming methods were practiced by the members.

Mrs. James Bruski, chairman of ways and means, announced a card party to be held at the Scout home the evening of April 26.

A number of the members attended the county meeting of the Home Bureau at the Methodist church in Waukegan last week. Mrs. Lester Osmond was made secretary of the county organization.

Lake Villa Church to be Host to Village Firemen At Service Next Sunday

Worshippers will probably "see red" as the church plays host next Sunday to the local fireman's club. Miniature firemen's helmets will identify each fireman as he joins his buddies at a service planned especially for them.

The sermon will be on the subject, "When the Church Catches On Fire." A fireman will briefly inform the congregation of the history and achievements of the organization.

A group of adults are enjoying the current course in the University of Life Sunday School classes. The unit is based on Dr. Murray Leiffer's book, "The Layman Looks at the Minister." Desirable and undesirable characteristics in ministers, are discussed. The aim in the course is a mutual understanding between the man in the pew and the man in the pulpit, which will result in a longer tenure for the Methodist ministry.

Those who wish to have babies baptized are asked to contact the minister previous to Palm Sunday for an interview preceding baptism. Children will be baptized early in the service Palm Sunday, or at regular worship service.

A large group of friends and members of the church gathered for an afternoon of fellowship in the parsonage Sunday afternoon when the pastor and family held open house.

Rev. Harrison will speak at a Lenten service in Groves Park Methodist Church Wednesday evening, March 29.

The Church girls defeated Antioch Wednesday in tournament play.

METHODIST WOMEN WILL SERVE PUBLIC LUNCHEON

The second of the series of luncheons, planned by the Woman's Organization of the Methodist church, will be held on Tuesday, March 28th in the dining rooms of the Methodist church.

The luncheon will be served from 11 to 1:30 o'clock, cafeteria style, to accommodate those business and professional people who have a limited lunch hour. No one will have to wait to be served.

Mrs. George Good and Mrs. M. C. Cain are acting as co-chairman of this month's luncheon group. Because of the overwhelming popularity of the luncheon last month, plans have been made to serve more people, and more helpers will be on hand to serve them more efficiently. Mrs. Good requests that those women who are to bring food to serve, have it at the church by 10 o'clock. Everyone is welcome.

Visits State Assemblies

Miss June Hunter has visited a number of assemblies of the Order of Rainbow for Girls in Illinois in her capacity as Grand Worthy Advisor. Places where assemblies were visited or will be visited this week-end include Alton, Springfield, Silvis, and Chicago. She will inspect more than 40 assemblies during the year.

Sew For Orphanage

A group of women of St. Peter's church will gather at the home of Mrs. Francis Brotherton this evening in sewing for the St. Vincent Orphanage.

Cardiff Home From Hospital

Harold Cardiff arrived home last Thursday from Kenosha hospital where he was given treatment over a period of three weeks for an infection of his left eye. He has recovered.

Mrs. Fern Lux was hostess to the members of the Methodist church choir at her home, following practice at the church Wednesday evening.

St. Patrick's Party is Success at St. Peter's

More than 250 persons attended the St. Patrick's Day card party Friday evening at the St. Peter's parish hall.

Musical entertainment was provided in addition to cards and prizes were awarded. The men of the Holy Name society served barbecued beef sandwiches, cake and coffee to all who came.

It was one of the largest crowds ever to attend a party of this nature and as the result the society will have a substantial sum to be used in purchasing playground equipment for the parochial school. It was quite pleased with the attendance and success of the event.

The Committee wishes to take this opportunity to wholeheartedly thank each and everyone who in a small or large way helped make this party the success that it was.

Lake Villa Boy Scouts To Reorganize Under Sponsorship of Men's Club

Dormant for more than a year Lake Villa's Boy Scout Troop No. 34 got off to a rolling start this week at the monthly meeting of the directors of the Lake Villa Community Men's club.

With the cooperation of Medill Radloff, district commissioner of the North Shore Area of the Boy Scouts Council, and Nick Bock, Jr., neighborhood commissioner, the club directors named next Monday night as the first organization meeting for the Boy Scouts of the Troop and all boys eligible, and their parents, are invited to attend at the Village Hall in Lake Villa.

The directors announced that all papers necessary for the reinstatement of Troop 34 have been filed with the National Boy Scout organization in New York and the names of the men who will lead the Scouts in the village were made public at the same time.

They are: Harold A. Severson, a former Boy Scout and member of the Veterans of Foreign Wars, has accepted the post of scoutmaster.

Jack E. Koehler, member of the faculty of the Lake Villa school, resumes the position of assistant scoutmaster.

Lester C. Hamlin, chairman of the Men's Club Boy Scout committee, becomes chairman of the Troop committee.

John E. Eder, named as institutional representative.

Edward John Langbein, Vern A. Blust, Albert Frank Boehm and Harry Pavel were selected as members of the Troop Committee.

At the meeting in the Village Hall Monday night prospective Boy Scouts will be signed up and an outline of plans for the troop will be given by the new leaders.

According to Lester Hamlin, chairman, if enough boys show an interest in this first organizational meeting some will still be eligible to enroll in the annual summer North Shore Boy Scout Camp Ma-Ka-Ja-Wan, near Antigo, Wis.

Also plans for a special outing for at least 14 of the Boy Scouts this summer will be discussed. The Lake Villa Community Men's Club will sponsor this outing, which in past years has been a jaunt southward, with all expenses paid by the club.

"We think we are going to have one of the greatest Boy Scout troops in this area," said Jere Hagen, president of the club, "and we hope that the boys and their parents will join wholeheartedly in making a success of the venture."

Meanwhile organization plans for the Cub Scouts under the direction of Rev. Robert Harrison is going full speed ahead.

The members of the Boy Scout committee are: Lester Hamlin, chairman, Rev. Bob Harrison, John Henning, Edward Langbein and Elmer Oelkers.

The Intermediate M. Y. F. group will not meet at 2:30 next Sunday, but join the high school group at 7:00 to see the movie, "Voice of the Deep."

Frank E. Stevens, who has been at the Chicago Memorial hospital for the past week is improving.

Mrs. John Dupre, Sr., left Saturday for Winter Park, Fla., where she will spend two weeks with her sister, Mrs. Jim Webb and husband.

CARD OF THANKS

I wish to thank everyone for the kindness shown me during my recent illness.

Mrs. Franklin Crandall

CARD OF THANKS

I wish to thank our friends and neighbors for the many acts of kindness and sympathy shown during the past year of my husband's illness and at the time of his death. I also wish to thank the V. F. W.

Mrs. George Peterson and family

We Thank You

We wish to thank friends and neighbors for their kindness and sympathy at a time when it was deeply appreciated.

Mr. and Mrs. Robert Schramm

CONFIRMATION CLASSES

BEGIN AT ST. IGNATIUS'

Three Confirmation Classes have begun at St. Ignatius' Episcopal Church, with the Candidates to be presented to the Suffragan Bishop on Palm Sunday, and to the Diocesan Bishop on May 7.

The children's class meets on Fridays in the Rectory at 4:30; the adult classes meet on Fridays in the homes, at 8 p. m. Those studying for Holy Confirmation are: Mr. and Mrs. George Bartlett, Mr. and Mrs. Arthur Dalziel, Mrs. Hazel Bixen, Mrs. Richard Folbrick, Mrs. Charles Smith, Mr. George Mille, and Sally, Nanette and Nina Schroeder. Candidates are still being accepted; persons interested are invited to contact Father Ehrigott. The classes are an opportunity to learn about the Episcopal Church; study leads to Confirmation, but does not presuppose it.

Mr. and Mrs. J. J. Rhymer spent the weekend in Urbana, the guests of their daughter and family, Mr. and Mrs. C. W. Wikoff and little daughter.

CELEBRATES BIRTHDAYS ON ST. PATRICK'S DAY

Morris Patrick Verkest and his three year old son, Michael, celebrated their birthdays, St. Patrick's Day at the home of Mr. Verkest's mother, Mrs. Arthur Verkest, Lake St., with a family get-together. Lunch was served later in the evening.

Mrs. Mollie Somerville celebrated her birthday anniversary Sunday, March 12th. Mrs. Birdella Schwery, of Trevor, Wis., was her guest that day. The following Sunday, March 19, Mr. and Mrs. A. Swanson, Mr. and Mrs. Ernie Scheter and child-

ren, Nancy and Linda, Mr. and Mrs. Earl Somerville, all of Chicago and Mr. and Mrs. Harold Johnson, of Rockford, spent the day at the Somerville home. Mrs. Somerville received five birthday cakes and many other lovely gifts.

Mr. and Mrs. J. J. Rhymer spent the weekend in Urbana, the guests of their daughter and family, Mr. and Mrs. C. W. Wikoff and little daughter.

Dale Barnstable Wins Honors

Dale Barnstable, University of Kentucky guard and captain of this year's Wildcat five, last Monday was awarded his fourth and final cage letter at the annual basketball banquet held in Lexington, Ky., in honor of the varsity and freshmen teams.

A veteran of four years service at the Bluegrass school and a graduating senior, Barnstable finished fifth in scoring this year with 179 points. His total came on 71 field goals and 37 free throws.

In his four years at Kentucky, he has scored a total of 635 points on 263 field goals and 109 free throws. As a freshman he taxed the nets for 71 points. He collected 176 points as a sophomore and 209 points as a junior.

He has appeared in 131 games, and has aided Kentucky in winning a grand total of 137 contests against only 13 setbacks. He has appeared in six national tournaments

three times in the National Invitational Tournament, twice in the NCAA and once in the Olympic Trials of 1948. Barnstable and his mates have won three of these tournaments while losing four.

Since his stay at Kentucky, the Wildcats have won four Southeastern Conference tournaments to run their consecutive victory string in SEC championships to seven.

His All-American teammates while at Kentucky have included Jack Parkinson, Bob Brannum, Jimmy Jordan, Alex Groza, Ralph Beard and Wallace Jones. The latter three, along with Cliff Barker, are the player-owners of the professional Indianapolis Olympians.

Barnstable was recently elected Corbin, Ky.'s "Honorary Citizen of the Year." He was married last year to a Corbin girl, the former Miss Wilma Lee Haverly.

West Coast Woods

Construction grades of West Coast woods are conveniently identified as boards, dimension, plank and small timbers, stringers, posts and timbers, shiplaps, and center matched lumber.

Two Towns

Pennsylvania's pretzel town is Ephrata, while Washington's air-base town of the same name is pronounced ee-fray-ta.

Winding a Watch

A watch should always be wound at the same time every day, if possible in the morning on arising.

When Sick Call 6 - We Deliver

Lake Villa Fire Dept...

(Continued from page 1)
by the county judge to form the district and in September of 1936 the district was formed to include Lake Villa and the surrounding area and the equipment was transferred from the association to the department for \$1. The same group was in control. It incorporated the department to serve the district, making its first contract with the district in October, 1936.

The truck was first housed in the Cannon building, now the location of the Public Service Co., offices, and later at Hucker's old garage. In 1934, it occupied a portion of the village hall, and then when a new truck was purchased July 2, 1940 it shared the limited space with it.

Siren Installed
The siren was installed in the rear of the village hall in 1933, with a service which included a pint of whiskey in the corner stone. The service was provided by Ben Hadad, Frank Nadr, Fred Hamlin and Ed Leonard.

The department used three 10,000 gallon cisterns for storage of its water supply after 1932 until the village put in its water system.

A feat that the department can point to with pride is its construction of its own building. The building was started in 1940 and the firemen supplied all of the labor. Materials cost \$6,000 and included bricks from the Home show in Chicago which they got for the hauling.

The new building was not completed in April 1944, but the department occupied it as early as the summer of 1942.

Since that time additional equipment has included an inhalator which was bought in 1938 for emergency purposes. Many of the men have taken first aid training through the American Red Cross society.

When the active and honorary members get together tomorrow evening there will be much reminiscing over the events of the past 20 years. They are sure to recall the first call in September 1933 when the 17 members of the department went to three locations before they finally found the fire in a garage at Fourth lake.

The list of dead members includes Lou Brickman, H. Nickerson, Fred Hamlin, J. Phillips, Ed Leonard, W. Peterson, Joe Koelstra, V. Nixon, Harry Stratton, Carl Miller, C. Bock, Frank Nash, William Hook and William Weber.

Charter members who are active today are Al Kapple, John Effinger, Lou Hamlin, Frank Slazes, H. Peterson, Erwin Barnstable, Herman Wolff, William Rhoades, and Ben Cribb.

Honorary mention will be given Al Gratton, Art Golden, William Marks, M. Murphy, Clare Sherwood, Clarence Miller, Phil Anderson, Henry Nash, Oscar Herbst, Curtis Meyers, Paul Scott, Fred Bartlett, Charles Kelly, Carl Reinbach, Z. Zenor, B. McCann, C. Frye, Earl Hucker, and J. Tride.

Head of the fire district this year are Eric Anderson, John Stratton, and Art Bennett.

Recording of Fish Talk To Be Produced in Film At Sunday Evening Hour

Underwater sounds never before heard by human ears are the dramatic subject of an unusual film to be shown at the Sunday Evening Hour of the Methodist Church in Antioch on Sunday evening, March 26, at 7 o'clock.

Produced in full color and sound by Dr. Irwin A. Moon, of the Moody Institute of Science, the film makes obsolete the old saying about the "silent deep". Garibaldi, snapping shrimp, porpoises, croakers, and other marine animals are heard for the first time making their unique fish noises into the hydrophone (underwater microphone).

Discovery that fish talk was made accidentally during the war. The United States Navy, intending to use the hydrophone to warn of the approach of enemy craft, submerged a network of the delicate instruments into the waters of Chesapeake Bay. But on the first trial, the hydrophones indicated enough noise in the bay for the entire German Navy, thousands of miles away.

Baffled, researchers set out to find the cause. They found that a school of croakers, not the German Navy, had been responsible for the mysterious sounds, in other words, fish talk!

In conjunction with the scientific story of the discovery of underwater sound, producer Irwin A. Moon brings in the parallel of the unknown spiritual realm. Because man could not hear fish communicating, he has said they were silent. In the same way, Dr. Moon points out, many deny the spiritual aspect of life because of a lack of knowledge and experience.

The Sunday Evening Hour is sponsored by the Methodist Youth Fellowship on the fourth Sunday of each month. The public is invited. A free will offering will be taken to defray expenses.

Mrs. William Thiemman underwent a major operation at the Victory Memorial hospital, Wednesday, Mrs. Fred Peterson who is a surgical patient at Victory will undergo an operation today Thursday.

G. R. Collins Buried at Naperville

Gordon R. Collins, 25, Lake Villa, died Sunday, March 19, at 8:30 p. m., at Hines Veterans Administration hospital, Chicago, following seven weeks of illness, death was due to a cerebral hemorrhage.

He was born February 20, 1925, at Lisle, Illinois, and had made his home in Lake Villa for the past eight years. He was a member of Sequoit Post V. F. W. No. 4551 and also of the State Line Riders Motorcycle club of Antioch. He was employed at the Fred Maier Garage at Lake Villa.

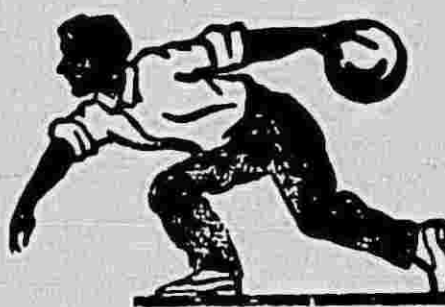

Survivors include his mother, Mrs. Agnes Collins, Lake Villa and three brothers, Staff Sergeant John Collins, Tokio, Japan, Donald and William, both of Lake Villa. His father Benjamin F. Collins preceded him in death January 28, 1943.

Funeral services were held (today) Thursday at the Strang Funeral home. The Rev. Robert Harrison of Lake Villa officiated. Interment was in Naperville Cemetery, Antioch Post V. F. W. No. 4551 officiated at the graveside service.

Dives to Watch Fish

Shown above is Dr. Irwin A. Moon in a deep sea diver's garb, climbing down a ladder into the "silent deep" to prove that the deep really is not silent at all. In his scientific film, "Voice of the Deep" Dr. Moon reveals that fish have a definite language of their own. The film, produced in sound and color will be shown at The Methodist Church in Antioch at 7 o'clock Sunday evening. The service is open to the public.

Primary Kaolin

All the primary kaolin produced in this country comes from North Carolina. It is a ceramic used in fine china.

Home-Made Dresses

More than 75 per cent of the dresses for girls in the three-to-six year group in Kansas are made by their mothers.

Potato Crop

The potato crop for 1949 is about 2.5 bushels per person for the country, about the same per capita as in the previous drought year of 1936.

Malaria Fever

Donald Ross, a Briton, discovered the cause of malaria in 1897.

'Fair Play' Appeal Gains Support For Vogel In Lake Co.

The candidacy of Harold A. (Hud) Vogel gained much impetus in the current campaign for Republican State Representative, during the past two weeks, when he launched a full-scale offensive on the voters of Lake County, basing an appeal on "Fair Play". A series of newspaper advertisements emphasizing the need for fair play in the selection of representatives in order to allow representation of the voters of McHenry and Boone counties, along with personal appeals, has shown that he is steadily gaining strength in the most populous county of the district.

Vogel told Lake county voters that the western part of the district had not had the opportunity of even voting for a Republican representative for a generation or more, and appealed to their sense of fair play in asking for one vote in the primary. This appeal has met with instant success and the polling of a large number of votes for Vogel in Lake county seems assured.

McHenry and Boone county voters will be asked to vote a straight three votes for Vogel to insure his nomination, and political observers in Lake county have indicated that Vogel's chances to unseat one of the incumbents is very favorable, should he be nominated.

Vogel Experienced
Vogel has emphasized that he is strongly in favor of economy in state government expenses, and will fight all efforts to squander the taxpayer's dollar. He is in a good position to know just what is being done at present through his connection with the State Revenue office at Springfield for many years.

He was born in Richmond, Illinois in 1910 and has been a lifelong resident of that community. He is thoroughly conversant with the problems of farmers of the section, having been raised on a farm. He was educated at Richmond-Burton high school. The Vogel family is very well known throughout the district, the first Vogel having settled in McHenry county more than 100 years ago.

Beef Cattle Show Good Pasture Returns When Market Falls-Nichols

Farm Adviser Ray T. Nicholas says some farmers are inclined to be a little skeptical of the high beef cattle and dairy returns some men have reported for pastures. They pointed out that part of those high returns should be credited to the favorable market of recent years.

That's partly true, Nicholas says, but a recent beef cattle pasture feeding study at the Dixon Springs Experiment Station shows that good pastures can pay profitable returns even when the market isn't so favorable.

Last month 10 head of steers from the station were sold for \$28 a hundred. That was \$1 a hundred less than the animals were valued at in the fall of 1948, when the pasture feeding trial was started. But even with the negative selling margin, Nicholas says each steer showed a net return of more than \$90 to pay for the one acre of pasture he grazed and the investment in labor, management and capital.

The calves were valued at \$29 a hundred when they were started on the feeding trial in the fall of 1948. They weighed 421 pounds. From November 11, 1948 to April 20, 1949, they were kept in drylot and fed a ration of 20 lbs. of silage, 4 pounds of hay and 1 pound of soybean oil meal per day. For this period of 161 days, they gained 156 lbs. each, or .97 pound per head per day.

On April 20 the animals went on a Ladino, timothy, redtop, lespedeza, alfalfa, fescue pasture at the rate of one head to the acre. They remained on this pasture until October 18, gaining 251 pounds in 180 days, or 1.4 pounds per head per day. In October 18 the steers were put in drylot on a ration of corn and cob meal, soybean oil meal, silage and hay. They were on this ration until February 13, 1950. During this 118-day feeding period, they gained 251 pounds each, or 2.1 pounds per head per day. They were loaded out on February 13 at an average weight of 1,083 pounds and sold over the scales at East St. Louis at an average weight of 1,025 pounds. The grades on the hoof were 4 Choice, 4 Good and 4 Low Good.

The total feed consumed by each of these 10 steers was 30 bushels of corn, 350 pounds of soybean oil meal, 2 tons of silage, and one-half ton of hay. Placing market values of \$1 per bushel for corn, \$3.50 per hundred for soybean oil meal, \$8 a ton for corn silage, and \$20 a ton for hay makes the feed bill total \$68.25, exclusive of pasture, for each steer. This feed cost plus \$122.09, the value of each calf at weaning, gives an investment of \$190.34 for each animal. The return on the market minus marketing costs was \$280.97 per steer, leaving a net return of \$90.63 per steer to pay for the one acre of pasture, labor and management.

Society for Prevention Of Blind Has Annual Meeting in Chicago

The thirty-third annual meeting of the Illinois Society for the Prevention of Blindness was held today as a luncheon meeting at the Stevens Hotel, Chicago. Two hundred and fifty guests from all over Illinois attended as well as educators from all over the country who were also attending the International Conference for Exceptional Children.

Frank H. Woods, president of the society, announced that at least half of all blindness occurring today is preventable. In the United States an estimated 600,000 persons of all ages suffer severe visual handicaps, including 259,000 who are totally blind. The cost to the American people for such things as special education for the blind, aid to the needy blind, vocational rehabilitation and Braille printing is more than \$50,000,000.00 annually in tax funds. There are additional large sums contributed annually by private philanthropy or represented in endowment income of private institutions which care for or otherwise serve the partially sighted and the totally blind.

Mr. Woods pointed out that the work of the Illinois Society in preventing blindness from babies, sore eyes and from trachoma has saved the taxpayers in Illinois at least a half million dollars which would otherwise have been needed to provide special education, vocational rehabilitation and blind relief for persons who would have been needlessly blinded.

Through the past efforts of the society, legislation and tax appropriations now provide special education for more than 1000 visually handicapped children in 86 sight saving classes throughout Illinois. These children could not get public schooling without the special techniques of the sight saving classes.

The society is actively engaged in promoting visual screening programs in Illinois schools to find the estimated 250,000 children who do not see well enough to accept the education provided for them. With proper follow-up, professional eye care for these children results in immediate corrections to normal vision through the prescribing of glasses. In almost all of the others, normal or improved vision can be obtained with other treatment such as medical care, surgery or eye exercises.

The society has also been active in promoting enforcement of the Illinois anti-fireworks law. Mr. Woods warns that fireworks accidents are on the increase. Illegal fireworks in 1949 caused 144 accidents of which 33 were eye injuries. Indiscriminate celebrations killed one man and blinded in one eye a ten-year old boy and a 21-year old youth. Supervised public displays accounted for only three fireworks injuries.

The Illinois Society for the Prevention of Blindness is a voluntary health agency supported entirely by private contributions. It was incorporated not-for-profit in 1916. It is the only agency in Illinois devoting itself entirely to the prevention of blindness and the conservation of vision.

Officers and directors are Russell Tyson, Honorary President; Frank H. Woods, Jr., President; Hermon Dunlap Smith, Vice president; William Warfield III, Secretary; Herman Waldeck, Treasurer; and James H. Becker, Dr. E. V. L. Brown, Chauncey McCormick, Dr. Derrick Vail, and Rawleigh Warner, Mrs. Ben Humphries Gray is executive secretary.

2 Months Before Lambing Critical Period for Ewes, Farm Advisor Nichols Says

The last 60 days before lambing are the most critical time for feeding if you want a sturdy, healthy lamb crop.

Farm Adviser Ray T. Nicholas says one thing you should remember about pregnant ewes is that not only must they provide food for their unborn young, but they must continue to meet their own body needs and grow a fleece, too. You can meet these large food needs by feeding liberal amounts of good-quality legume hay and one-half to one pound of grain per ewe each day during the 60 days before lambing.

After lambing, the grain should be increased to one or two pounds per ewe each day. No grain need be fed when the ewes go on pasture.

If you're feeding corn silage instead of legume hay, a protein and mineral supplement is recommended. Nicholas suggests the following supplement at the rate of one-fourth pound per ewe per day would be satisfactory: 80 pounds of soybean meal, 10 pounds of feeding limestone and 10 pounds of salt.

Ewes will need plenty of fresh water and iodized salt at all times, and you can expect better results if the ewes with lambs are kept separate from the ewes yet to lamb. When the lambs start eating grain

at about 10 days of age, a creep will keep the ewes from the lambs' rations. If you place the creep in the sunniest part of the barn and keep it dry and well bedded, the lambs will make best use of it.

Fill the creep with the greenest, leafiest hay you have. Either one of the following rations will do a good job of fattening: (1) equal parts of whole or crushed oats and cracked corn or (2) 20 pounds of whole or crushed oats, 20 pounds of cracked corn, 10 pounds of wheat bran and 10 pounds of linseed, soybean, or cottonseed oil meal.

Lambs like their feed clean and not ground too fine, so a little rough cleaning once a day will keep them eating regularly.

Although lambs won't eat much grain when they are placed on good legume pasture, it is still a good idea to creep-feed them. Creep-feeding on pasture will keep lambs gaining as fast as possible and will prevent them from losing their milk fat.

A good legume-grass pasture is the foundation upon which most good sheep programs are built. Your best summer pasture is a mixture of good legumes and grasses. Alfalfa-brome, red clover, timothy, and ladino-brome are all excellent and very palatable.

Buegrass makes a good pasture for two months in the spring and again in the winter if there is a heavy growth. Balbo rye, when seeded in late August or early September, will give you an early spring pasture to use until legumes are ready.

Walter C. Bannow, 59 Dies in Veterans Hospital

Walter C. Bannow, 59, Lake Villa, died Monday, March 20, at 1:28 p. m. at the Veterans Administration hospital, Downey, Illinois, after a month's illness.

He was born November 8, 1890 at Forest Park, and had lived at Lake Villa for the past 25 years. He was a member of the Electrical Workers Union, Local No. 9 I. B. E. W., he was also a member of the Millburn Masonic Lodge No. 127, and the Lake Region American Legion Post No. 703, he was a veteran of World War one, he had been employed by the Commercial Light Company, maintaining street light system in the city of Evanston since 1934.

He is survived by an aunt, Mrs. Elizabeth Shannon, of Chicago. He was the son of the late Charles and Linda Bormann Bannow.

Funeral services were held at the Strang Funeral home Wednesday, with interment in Angola cemetery. The Rev. Robert Harrison and the Millburn Masonic Lodge officiated at the service.

Prevent Waste

Waste makes want. To prevent waste, do not pare vegetables thickly, discard wholesome edibles, or drain away fat.

Allergy in Animals

Antihistamine drugs are being used on an increasing scale by veterinarians to relieve allergic conditions in animals.

Science Reports Silkworms Used In Cancer Study

NEW YORK.—Science, official journal of American scientists, have announced the creation of radioactive silkworms.

They make radioactive silk. But the purpose is to study cancer and growth, rather than learn how to synthesize silk, which is one job that has baffled chemistry.

The work is done by a group in the medical laboratories of the Collis P. Huntington memorial hospital and the chemical and biological laboratories of Harvard university.

They are trying to discover how to synthesize a protein, because proteins are the biggest molecules, the most difficult to make, and probably the most important to life. Silk gives them a good chance, because it is made of fibroin, one of the large protein molecules.

Method Is Puzzle

How the silkworms make this stuff is one of the puzzles of growth, and growth in turn is one of the basic researches in hunting the cause and maybe the cure of cancer.

The Harvard group used radioactive carbon atoms to light up the insides of silkworms so that the living process could be seen in photographs.

These atoms were injected into the silkworms, but not haphazardly. Chemists had discovered that a silk fiber is largely made of two acids, alanine and glycine. Both contain carbon. The radioactive atoms were added to these two acids, and the latter injected by needles.

These two acids appear not only in silk, but also in human protein tissues. That was another reason for the silkworm tests.

Became Radioactive

The injected worms became radioactive. Their bodies rattled for Geiger counters, but they did not have enough of the hot carbon to harm them or to interfere with their silkmaking.

The worms spun cocoons, and the cocoons were radioactive. Fibers from the cocoons were laid on photographic plates, in darkness, and took their own pictures by the radioactive rays, indicating the radioactive atoms were in the big silk protein molecules.

Other experiments are starting to unravel the process further. If this pure-science venture tells how worms make silk, it has a by-product of great possibilities for the textile industry because the knowledge will help scientists synthesize real silk.

Whooping Crane Again Makes Annual Flight into Canada

CORPUS CHRISTI, TEX. — The whooping crane, a stately bird balanced on the edge of extinction, made the north flight again.

The huge white bird with the rusty-head was headed for grounds in Canada that have defied years of search by ornithologists.

Bird-lovers fear the whooper, like the passenger pigeon and the dodo, may become extinct.

The time of danger is when the whooper migrates, traveling from south Texas to Canada and passing over trigger-happy hunters.

In tight family groups 28 wild cranes began to take to the air from the Aransas Game Refuge near here. In a few days almost all were gone. Only four were left—a pair in captivity, a cripple, and the cripple's mate. The mate refused to leave.

Recent records show that there are only three others living. One is at Gothenburg, Neb., one in a Louisiana zoo, and one in the London zoo.

Wisconsin Grandmother Has Dynamiter's Permit

ELKHORN, WIS. — Mrs. Myrtle Dobbert, an Elkhorn grandmother, is the first and probably the only licensed dynamiter in Wisconsin.

Mrs. Dobbert received her "certificate of competency" but found out that the law forbids employers from hiring females around mines or quarries. So she'll continue to work for her husband, Paul.

She started in the dynamite business 25 years ago.

Countess Routs Burglar Who Invaded Tower Home

AYLESBURY, ENGLAND.—"I've got you covered," growled the countess.

The burglar took one look at the leveled pistol and left her bedroom on the dead run.

That, 57-year-old Lady Rosebery is telling her friends, is why a prowler at Mentmore Towers—the Rosebery estate—went away empty-handed.

Lady Rosebery said she keeps a gun in a secret hiding place near her bed for just such emergencies.

YELLOW PAGES

YOUR HANDY BUYING GUIDE
COMPLETE • EASY TO USE

Your new telephone directory has just been delivered! Its Yellow Pages are packed with helpful "where-to-find-it" facts—all conveniently classified to save you time and trouble.

You'll find the Yellow Pages more valuable than

Here are five big ways the Yellow Pages can help you

- 1 To find local dealers who sell nationally advertised services or trademarked products.
- 2 To find where to buy almost any product or service you need, including those that are unusual and hard to locate. It will help you, too, to locate dealers or services in your immediate neighborhood.
- 3 To find the address or telephone number when you

know the firm's name . . . or the name when you know only the address.

4 To find business or professional people with common surnames, like Jones or Smith. The Classified saves you time and helps you to avoid mistakes.

5 To find wholesalers or manufacturers when you want to buy in large quantities.

Look in the **YELLOW PAGES**

HICKORY

Mr. and Mrs. Hallada and baby son, Vaughn, from Port Washington, Wis., visited Saturday afternoon and Sunday at the H. A. Tillotson home. Saturday was Mrs. Tillotson's birthday anniversary.

Mr. and Mrs. Frank Wishler, of Chicago, spent Saturday at the home of Mr. and Mrs. William Richards. Mrs. John Skara, Kenosha, was a Saturday evening caller, also Mrs. Elsie Otto, from Bristol.

Sunday visitors at Richards home were Mr. and Mrs. Charles Lambert and grandson, of Grayslake,

and Mrs. Johanna Gefert, of Rt. 173, also Mr. and Mrs. Anthony Eibl and children from Bristol.

The regular monthly card party will be given at Millburn Masonic Temple Saturday evening, April 1st at 8 p. m. There will be card prizes and refreshments.

Mrs. Wm. D. Thompson received a telephone message on Tuesday telling her of the sudden death of her cousin, Dr. Albert J. Stokes, of Chicago, early that morning. He was taken sick while operating at Garfield Park hospital. The funeral was held at Kamp Funeral home in Austin on Friday afternoon with

burial in Acacia cemetery. Relatives from here who attended were Mr. and Mrs. Wm. Gerber, Mrs. Dorothy Van Patten, and Judy, Mrs. H. A. Tillotson and Mrs. Wm. D. Thompson.

S. J. Handley spent Thursday and Friday in Chicago and attended funeral of his cousin, Dr. A. J. Stokes.

Mr. and Mrs. Alfred Dettmering and daughter, Judy spent Saturday night with relatives in East Troy, Wis., and went on to Waukesha on Sunday where they visited relatives and celebrated three birthday anniversaries with a dinner at their home.

Mrs. Agnes Stevens visited the Gordon Wells home over the weekend.

**SAFE!!!**

SAFE! That's a fine word and makes you feel good whether you are playing baseball or the game of life. Nevertheless, it is a much more difficult thing to be safe in your everyday life than it is when the baseball umpire makes his decision. While insurance cannot keep you from being hurt or from having your property stolen or destroyed, it can see that you are safe from monetary loss. The many types of insurance protection available to you today make it imperative that you consult a good insurance agency.

Geo. Ylonen Has High Testing Brown Swiss Cow

Claywood Sadie Mar 131585, a registered Brown Swiss cow owned by George Ylonen, Antioch, has recently completed a 305 day lactation record on Herd Test of 10,313.5 lbs. of milk and 420.39 lbs. fat, on twice a day milking, according to Fred S. Idtse, secretary of the Brown Swiss Cattle Breeders' Association, Beloit, Wis. Age 5 years, 1 month.

IT COSTS A LOT TO ATTEND THE KENTUCKY DERBY

Enjoyment of Derby Day, May 6, 1950 is going to require early attention to reservations, a bulletin from the Chicago Motor Club's Touring Bureau warns.

Advance demand for accommodations are outstripping other years despite steep prices, the club bulletin indicates.

Hotels and courts require three day reservations for the Derby period, May 4, 5, and 6. Hotel rates range from \$60 to \$95 for double rooms, suites extra. Preference is

given to previous guests and some hotels are not accepting any further reservations.

Motor courts charge from \$50 to \$75 for two, over the Derby period, full payment in advance. Some courts are now filled.

After April 1, the Louisville Automobile club will have a list of rooms in private homes. These will run

from \$7.50 to \$10 per night for two people, 2 day minimum, full payment in advance.

Numerous conducted tours are

available for those who do not wish to stay in Louisville overnight. One can be arranged through the Chicago Motor club. Meals, Pull-

man accommodations, entertainment, transportation to and from Churchill Downs and box seats in

the club house or on the terrace are provided. Prices run from \$73.50 to \$98 for the two night trip.

For a workless washday... get Modern Laundry Equipment!

Let a wonderful new washer, dryer and ironer work on washday... while you take life easy. Now do laundry the carefree, leisurely way!

Modern Clothes Washer

Your clothes are washed cleaner, rinsed and spun-dried even better than you thought possible... without wringer, rinse tubs or lifting heavy, wet clothes. Just put soiled clothes in, a short time later take them out—really clean—ready for drying.

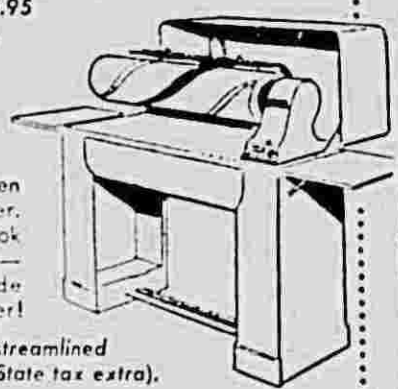

Thor Spinner Washer Model 244C with Super-Agitator.
\$199.50 (State tax extra).
Interchangeable unit—\$79.95
—converts clothes washer to dishwasher.

Automatic Clothes Dryer

No waiting for the weather with an automatic clothes dryer. Rain or shine... winter, summer... day or night... you wash and dry clothes whenever you like. Simply take clothes from the washer, place them in the dryer and set the control. In a matter of minutes you remove them damp-dry for ironing—or completely dry for storage.

Bendix Clothes Dryer Model E with automatic time, temperature controls. \$199.95 (State tax extra).

Automatic Ironer

You cut ironing time in half... when you use a modern automatic ironer. Clothes have the "professional" look you want... and what a pleasure—to sit relaxed and merely guide clothes through your automatic ironer!

Canlan Ironer Model R-200 with streamlined cabinet cover. \$199.95 (State tax extra).

Join the many homemakers who are doing away with laundry labor... get modern laundry equipment.

10% down... take up to 24 months to pay the balance with your Service Bill. See the latest laundry appliances at your dealer's or our nearest store.

MILLBURN

Rev. L. H. Messersmith has chosen the topic "Aim at Perfection" for his sermon at the 11 o'clock worship service Sunday, March 26. Sunday evening at 7:30 Miss Noriko Yamakawa, Native of Japan, and fellowship student at Chicago Theological Seminary will be speaker at the special Lenten service. Plan to attend this service.

Members of the Mylo club met at the home of Mrs. L. H. Messersmith Thursday evening with Mrs. George Murrie as co-hostess. At the election Mrs. Homer White was chosen president; Mrs. Chalmers Wooley, vice president; Mrs. Lloyd Atwell secretary and Mrs. Don Truax, treasurer.

Rev. Messersmith was guest speaker at the Parent-Teachers meeting at Gages Lake school Thursday evening.

Mr. and Mrs. Peter Tillich and grandchildren, of Bluff Lake, were callers at the Ed Hoffman home Saturday afternoon.

Mr. and Mrs. W. C. Upton returned home Friday, after six weeks vacation in Texas.

Mr. and Mrs. Jack Neahous, of Antioch, spent Sunday afternoon at the Oscar Neahous home.

The Ladies Aid Society will meet at the church Thursday, Apr. 6, with cafeteria dinner at noon. At 2 o'clock there will be a business meeting with Mrs. Arthur Myers in charge of devotion and Mrs. Cecil Cade will continue the review of Japan Begins Again.

The school health test for 1st and 5th graders of Oakland and Millburn school will be held at Oakland school Tuesday, Mar. 28.

LEGAL NOTICE

PRIMARY ELECTION NOTICE IS HEREBY GIVEN, THAT ON Tuesday, the 11th day of April, A. D. 1950 in the County of Lake and State of Illinois, a Primary Election will be held for the purpose of securing an expression of the sentiment and will of the party voters for the nomination of candidates for the following offices:

United States Senator
State Treasurer
Superintendent of Public Instruction
Clerk of the Supreme Court
Clerk of the Appellate Court, 2nd District
Representative in Congress, 13th Congressional District
Representative in the General Assembly, 8th Senatorial District
County Judge
County Clerk
Probate Judge
Probate Clerk
County Treasurer
Sheriff
County Superintendent of Schools
And for electing, by each of the political parties, Committeemen as follows:

One State Central Committeeman of the 13th Congressional District.
One Member of the Senatorial Committee of the 8th Senatorial District

One Precinct Committeeman of each party in each Election District
The Political parties entitled to participate in said Primary Election are the
REPUBLICAN PARTY AND DEMOCRATIC PARTY

The voting place for each precinct is as follows:
Antioch Township
Election District No. 1, Antioch Fire Station, Main St., Antioch
Election District No. 2, Village Hall, Main St., Antioch
Election District No. 3, Lotus School Antioch
Lake Villa Township, Village Hall, Lake Villa
Grant Township
Election District No. 1, Town Hall, Ingleside
Election District No. 2, Village Hall Fox Lake
Election District No. 3, C. M. & St. Paul Depot, Long Lake.

The polls of said Primary Election shall be opened at 6 o'clock a. m. and will continue open until 5 o'clock in the afternoon of said day.

Dated at Waukegan, in Lake County, in the State of Illinois, this 15th day of March, in the year of our Lord, One Thousand Nine Hundred and Fifty.

Jay B. Morse, County Clerk
Gregory M. Sheahan, Deputy County Clerk.

LEGAL NOTICE

School District Notice of Election Notice is hereby given that on Saturday, the 8th day of April, 1950, an Election will be held at Channel Lake School, in School District No. 35, in Lake County and State of Illinois, for the purpose of electing One School Director for the Full Term Three (3) Years

The polls will be opened at 7 o'clock P. M. and close at 9 o'clock P. M. of the same day.

By order of the Board of Directors of said District. Dated this Twenty-third day of March, 1950.

Ruth H. Seyfarth, President
Vern E. Heath, Clerk

NOTICE OF CAUCUS
Also under Section 6-4 of the School Law as amended

Notice is hereby given that a caucus is called for the nomination of candidates for the office of School Director at 6:30 o'clock P. M. on the same day as the above election, at the place of the election.

Ruth H. Seyfarth, President
Vern E. Heath, Clerk

at 9 o'clock. Parents of children entering school next fall may call Mrs. Eric Anderson, Lake Villa 4538 if they wish information about vaccination or immunization at this time.

Mr. and Mrs. Henry Randall, of Waukegan, were supper guests at the home of Mrs. Ida Truax Sunday. After their return to Waukegan that evening Mr. Randall suffered a stroke, and is now in the hospital.

Mr. and Mrs. Carl Anderson, Mr. and Mrs. Eric Anderson and daughter, Rebecca, and Mrs. Anna Bauman, attended the Shriner's Circus at Medinah Temple in Chicago Friday evening.

Millburn unit of Home Bureau met at the home of Mrs. Herbert Messner Friday afternoon with Mrs. Don Holum as co-hostess for the dessert luncheon at 1 o'clock. Sixteen members and two guests, Mrs. Ora Davis and Mrs. Will Bonner reviewed the lesson "Improved Technique in Home Sewing" given by Mrs. Helen Volk. All appreciated learning two new ways of hemming in addition to other points to remember in home sewing.

Mr. and Mrs. Carl Anderson, Mr. and Mrs. Lyman Thalm, Mr. and Mrs. Leslie Bonner and Mr. and Mrs. Will Bonner attended the annual meeting of Pure Milk Association at Hotel Sherman in Chicago on Saturday.

Mr. and Mrs. Herbert Messner and son, Herbert, and daughter, Anita, were dinner guests of Mr. C. Messner in Chicago Saturday evening.

Mr. and Mrs. Charles Paddock, of Grass Lake were callers at the Savage home Sunday afternoon.

Mrs. Anna Bauman is spending a week with her son, Dr. W. G. Bauman in Barrington.

Mr. and Mrs. Harry Herrick, Mrs. William Carney and Leonard Olson of St. Olaf, Iowa, were supper guests at the Eric Anderson home Monday evening.

Mrs. Howard Petty and daughters, Joanne, Carol and Julie of Urbana spent several days with her parents, Mr. and Mrs. Leslie Bonner. Mr. Petty, state entomologist at the University of Illinois, was an over night guest Thursday and addressed a group of farmers at Grayslake Friday afternoon on the subject of control of corn borers.

Mrs. Eric Anderson entertained the past matrons club of Millburn O. E. S. at her home Thursday evening, with 16 present.

Twelve members of the Pilgrim fellowship attended the Youth Rally at Mundelein Congregational church Sunday afternoon.

Mr. Taglucop, native of the Philippine Islands and guest speaker at the Sunday evening service and Miss Betty Erickson were dinner guests at the Messersmith home Sunday evening.

Mr. and Mrs. Herbert Messner and son, Herbie, spent Wednesday in Milwaukee.

The Rev. Messersmith showed colored slides at the parents' meeting at Browe school Tuesday evening. Several guests were present from Rosecrans school.

Miss Louise Erickson returned home Saturday evening after a two weeks' vacation in Florida. Her parents, Mr. and Mrs. Paul Erickson, remained in Florida for a few weeks longer.

Mr. and Mrs. Horace Culver and Mr. and Mrs. Chalmers Wooley attended the wedding of Miss Mary Eva Lightbody and Mr. George Sides at the Methodist church in Libertyville Saturday evening, followed by a reception at the Lightbody home in Libertyville.

Mr. and Mrs. John Edwards and family of Libertyville spent Saturday evening at the Frank Edwards home.

Miss Margaret Gilbert of Waukegan spent the week-end at the Horace Culver home, and with the Culvers and the Wooley family was

a dinner guest at the Arthur Atwell home at Lake Villa Sunday.

Twenty new members have recently been added to the membership of the Ladies Aid society, through the efforts of the membership committee and the new and old members were guests at a tea in the church dining room Friday evening.

All enjoyed a talk by Mrs. Ducas of Waukegan, telling of her recent visit to Czechoslovakia, also a vocal solo by Sharon Weber and several vocal

numbers by Mrs. Joseph Gilmore of Gurnee, accompanied by Mrs. Louise Donnelly of Gurnee.

Air Pollution

Visible smoke is only a part, and a largely controllable part, of the overall enigma of atmospheric pollution. Devices for collecting fly ash, dust, smoke, and cinder particles are in wide usage—at least, by the big, economical fuel users.

Customers' Corner

What do you think of our dairy departments? We take great pains to plan these departments so that all dairy products are assembled at one convenient spot. Do we carry the varieties you prefer? Are these products cut in the sizes you most frequently use? Are they packaged the way you like them? If you have any suggestions that will help us improve our dairy departments and serve you better, please let us know.

Please write: Customer Relations Department, A&P Food Stores, 420 Lexington Avenue, New York 17, N. Y.

Joining 4-H Clubs Easy Advisers Send out Word; Concrete School Planned

It's easy to join one of the agricultural or home economics 4-H clubs in Lake County, says Farm and Home Advisers Ray T. Nicholas and Helen Volk.

All you have to do is fill out an enrollment card. You can get one of these cards from any one of the local 4-H Club leaders in the county or from the farm or home adviser or their assistants, they pointed out. Age limits of 4-H Club members are from 10 to 21 years.

After you fill out the enrollment card and turn it in to the county office, you select your projects for the year and start attending regular meetings of the club nearest your home. By carrying these projects to completion this year, you will be "learning by doing" good farming and home-making practices.

Homemaking projects in 4-H Club work include clothing, foods and room improvement. Approved projects in the agricultural side of 4-H Club work include farm concrete, corn, legumes, soybeans, small grain, forestry, garden home grounds improvements, potato, small fruits, beef, dairy, poultry, rabbits, sheep, swine, soil improvement, wildlife conservation.

There are two very important things to remember about 4-H Club work after you enroll, the advisers said. The first is that you should attend every meeting of your local club, since taking part in club activities is such a valuable part of 4-H Club work. The other is starting your projects at the time set in the rules and carrying them through to completion.

Date For Concrete School All 4-H boys in Lake County who are enrolled in the farm concrete project this year will have a day at a special concrete school on Tuesday, March 28, at the Farm Bureau Hall in Grayslake.

Farm Adviser Ray T. Nicholas says the school will be held from 9

a. m. to 3 p. m. All necessary supplies will be furnished, and most of the information will be presented in the form of demonstrations, slides and movies.

Claude A. Kincaid, representative of the Portland Cement association, Champaign, will be present to conduct the school.

Andrew Nielsen, Dies Suddenly of Heart Attack

Andrew Nielsen, 74, Salem, Wisconsin, died suddenly of a heart attack Wednesday while at work at the Antioch Servicenter, where he had been night watchman for over three years. He was found by one of the workmen who found the place locked when he went to work Wednesday morning. Apparently he died peacefully in his sleep. He had been in failing health for some time.

He was born October 24, 1875, at Ilmild, Denmark, came to America 47 years ago and had lived in the vicinity of Salem and Antioch since. He was a retired farmer.

Survivors include his wife, Christina, a daughter, Mrs. Alice Hogan, of Woodstock, three step-daughters, Mrs. Helen Warner, Mrs. Christal Griener, and Miss Loretta Soren-

son, one step-son, Harry Sorenson, all of Jamestown, New York, one brother, Fred Nielsen, of Chicago, 3 brothers and 2 sisters in Denmark and 2 grandchildren.

Funeral services will be held from the Strang Funeral home at 2 p. m. Saturday. Interment will be in Hillside cemetery. Friends may call at the funeral home after 7 o'clock Thursday evening.

Mrs. Henning Installed As Home Bureau Chm.

The Antioch Unit of the Home Bureau held its regular meeting and installation of officers Wednesday evening at the home of Mrs. Albert Sima, Channel Lake. Mrs. C. E. Hennings was installed as chairman with Mrs. Anton Novak as vice chairman, Mrs. James Van Cura, secretary and Mrs. Robert Hess, Treasurer. Mrs. Helen Volk gave the lesson on Improved Technique of Home Sewing. The Unit presented Mrs. Volk with a potted plant in honor of her birthday anniversary. Mrs. Robert McCann and Mrs. Robert Dewes outgoing chairman were also presented with potted plants. The next meeting of the Unit will be held April 26 at the home of Mrs. Bert Doolittle.

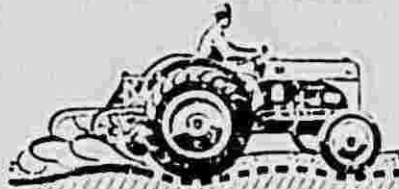

"Must be something to it"

EVERYONE TALKS ABOUT THE

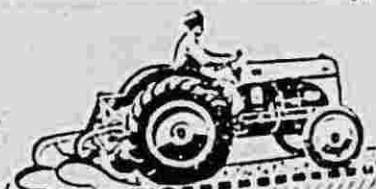

All over America, on big farms and little farms, it's proving itself "The Year 'Round Tractor"... winning fame for all 'round performance, all 'round the farm, all year 'round.

You'll respect the Ford Tractor for the way it buckles down to heavy jobs of plowing or disking. You'll like it, and Dearborn Equipment, too, for the way you can do such jobs as scraping, leveling, loading, ditching, terracing, excavating, digging post holes or sawing wood. Most Dearborn implements lift or lower at a touch on the Ford Hydraulic Touch Control. Ask for a demonstration.

In fields that are reasonably ridged or uneven and where soil conditions do not vary, set the Ford Hydraulic Touch Control lever, and uniform plowing depth is maintained automatically.

In fields that are ridged or uneven and where the soil conditions vary, you merely operate the Touch Control lever to maintain the plowing depth you want.

In reasonably smooth fields, even if soil conditions vary, you use a great Ford feature, implement Position Control, to maintain uniform depth automatically.
